

Newsome Chorus Chaperone Information

Parent chaperones are a vital component of any tour. The chorus has had many outstanding tour chaperones over the years, and we can't thank these parents enough for their time, dedication, and caring.

For this tour, we anticipate needing a total of **12 parent chaperones**. This chaperone number may change, depending on the exact number of chorus students who commit to the tour. Each chaperone will be responsible for a group of 10 or so chorus students. Chaperones will meet with their groups at least once before the tour, and may also be asked to speak with the parents of each of their group members if the need arises. Chaperones will also be expected to attend a chaperone meeting held prior to the trip.

Chaperone hotel rooms will be double occupancy (2 chaperones per room) and rooms are guaranteed to have two beds. Every effort will be made to ensure that our chaperone and student rooms are very close in proximity. Please remember that chaperones are expected to supervise their groups at all times and be sure to follow the itinerary carefully. Chaperones will have medical release/student information for each of their students that they will need to keep with them at all times, will need to monitor behavior, help maintain a safe and orderly environment, and support the directors in all of their decisions.

All interested parents are encouraged to apply to be a tour chaperone. (Please see the attached application form.) We hope to have at least one chaperone with medical training (nurse or physician). Our terrific chaperones from past tours are encouraged to apply, as well as others who are eager to travel with the chorus.

The chaperone **application deadline is September 18th**. Chaperones will be selected and notified by October 7th (or sooner). Tour chaperones must pay the same tour fee as the choristers (\$970). We must receive the \$170 non-refundable deposit from selected chaperones by October 10th. Please do NOT pay a deposit for chaperones until notifications have been made.

Remaining payment dates for chaperones (after the October 10th variation) are the same as for students:

Nashville Payment Schedule *A \$10 late fee is applied to late payments after each date**
October 10th - \$170 (non-refundable)
October 30th - \$200
November 22nd - \$200
January 15th - \$200
February 10th - \$200

Thank you so much for considering!
